What Makes Lifesteps' Child Care Special?

A well-respected reputation for providing services to children of all abilities, including those with and without special needs.

A loving, nurturing learning environment is the foundation of the child care program, encouraging the development of the *whole* child.

Extra services included at no charge, such as screenings/evaluations to assess development, hearing, and speech.

Preschool-aged children enrolled in child care attend our Preschool and Pre-K Programs at no additional cost.

Opportunities for parents to play an active role through Family Connections, and Foster Grandparents enhance each child's early childhood experience.

Participation in Keystone STARS, a quality rating system based on the achievement of performance standards in the areas of staff education, learning environment, and administration. STAR ratings vary by location.
